

THE PATH TO LEADERSHIP BEGINS HERE!

How do we build leaders? With training, of course, and the North Trail District offers **OAK LEAF** to provide young scouts with an introduction into the fundamentals of leadership.

Following Lord Baden-Powell's directive: "*Fun With a Purpose*," **OAK LEAF** is a two-day "Basics of Leadership" course designed for scouts 12 and over that have attained the rank of First Class. Participants will be treated to scout-led presentations combined with enjoyable games to reinforce leadership concepts!

Designed to supplement troop-level training and act as a step toward BSA's National Youth Leadership Training course, **OAK LEAF** aims to provide scouts with leadership skills they can carry back to their troops, build on throughout their scouting experience, and utilize for the rest of their lives.

Come have fun, make new friends, and awaken the leader that's within you at **OAK LEAF** this spring!

This course begins Saturday morning (March 31st) at 8:00 AM and ends Sunday (April 1st) at 11:30 AM. Participants must attend the entire course. The course will be at Camp Wisdom for Spring 2012.

Cost Spring 2012: \$25.00 (prior to 03/24/12) / \$32.00 late registration
(non refundable)
